

# October

## Have a fun & safe Halloween!

### Dear Parents,

As many of you may have noticed I have added many helpful things on my website. Under the "Math" tab there are videos and songs to help your child practice their skip counting for multiplication. Please make sure you are practicing multiplication facts at home.

This Friday is our Halloween party. We will be having our party in the morning and it will consist of watching a movie and passing out our treats. At 1:30 pm parents are able to come to the school to watch our Halloween Parade. As long as the weather cooperates, the parade will be outside. If mother nature does not cooperate, the parade will be held inside the school.

Reminder that conferences are November 5<sup>th</sup> & 6<sup>th</sup>. I have sent home reminders with everyone. I also sent home a pre-conference form for you all to fill out and send back before your scheduled day.  
Have a Wonderful Week,  
Miss Buchanan

### Homework

Please make sure you, the student, are checking and rechecking your homework, we are noticing simple mistakes.

### Cold Weather

The cold weather is arriving! Please make sure your child is dressed for the weather. We will continue to send students out for recess unless it is raining or the temperature is below 15 degrees.

### Halloween Party and Parade

The Halloween parade is on October 30<sup>th</sup> at 1:30 in the afternoon. The Halloween Party will be on the same day. Please send any treats with your child in the morning.
