Miss Buchanan's *Anchored* News

Dear Parents,

We are really starting to get into a routine in the classroom. We are learning the homework schedule and daily schedules. On a normal week, the students will always have math homework, studying for any upcoming tests (reading, spelling and grammar every week) and occasional science and social studies homework. Thank you to all parents/guardians for checking planners and signing them!

Make sure you are checking Progress Book for grades. If you have any questions or concerns with grades please let me know.

Have A Wonderful Weekend,
Miss Buchanan

Homework

Please check the planner nightly for homework! Homework will be given almost every night, even if it is just studying. Please keep me informed if your child is having trouble with his/her homework, I will offer extra assistance during recess if it is needed.

Please check left side of the comet folder for homework papers.

Tests

All papers and tests will go home on Fridays. If your child receives a D or an F on any tests or classwork, they must be corrected and turned back in by the following Monday. Please make sure you sign and return them.

Website

Please visit my homepage on our school's website:
missthirdgradeteacher.weebly.com

On my website you will find:

- Homework Help Videos for mathematics
- Websites- many that help with studying for science and social studies topics.
 - The weekly newsletters
 - Photos
 - A link to Progress Book

Spelling

lay, real, trail, sweet, today, dream, seem, tea, treat, afraid, leave, bait, screen, speed, paint, please, yesterday, explain

Next week's Reading Vocab- Please reinforce learning at home.

Afford, customers, contacted, raise, earn, figure, block, spreading
