Miss Buchanan's *Anchored* News

Dear Parents,

We are now "digging deeper" into a lot of subjects, please continue to have your child study at home. I have been stressing the importance of why we pay attention in class and how it can affect our learning. Most of us are doing a great job participating and following along! :)

Each Friday will consist of our spelling and reading tests. If you, at any time, have any questions regarding the grading please let me know. I am very flexible with changing grades if you or your child feels something should be right.

Have A Wonderful Weekend,
Miss Buchanan

Homework

Please check the planner nightly for homework! Homework will be given almost every night, even if it is just studying. Please keep me informed if your child is having trouble with his/her homework, I will offer extra assistance during recess if it is needed.

Please check the right side of the comet folder for homework papers.

Having trouble understanding?

Please remember, if your child is having a hard time understanding something please let me know! I want to make sure the students learn and understand what is going on in the classroom. I am willing to spend some of their recess time to review concepts.

Spelling

Please remind your child to not capitalize their spelling words. I have explained to them that the only words that should be capitalized are proper nouns (city, state, specific names, months, days of the week, etc..). I will let them know ahead of time if we have any of these words on a test.

-load, open, told, yellow, soak, shadow, foam, follow, glow, sold, window, coach, almost, throat, cold, most, tomorrow, sailboats

Next week's Reading Vocab- Please reinforce learning at home.

- Crew, tide, cling, balancing, foggy, disappears, stretch, excitement

Our Week

9-13-15
