## Miss Buchanan's *Anchored* News

### Dear Parents,

Thank you to everyone who has viewed Progress Book to monitor their child's progress. If you are having trouble logging in please let me know. I want to make sure everyone is aware of their child's grades and missing assignments.

We have started using our own devices in the classroom. I am going to have the students use devices to get on accelerated reader. We have also received our Chrome Books!!! We will be diving into using them everyday! If you have any questions regarding this please contact me.

Have A Wonderful Week,  
Miss Buchanan

### Having trouble understanding?

Please remember, if your child is having a hard time understanding something please let me know! I want to make sure the students learn and understand what is going on in the classroom. I am willing to spend some of their recess time to review concepts.

### Spelling

Please remind your child to only use capital letters when appropriate. I have explained to them that the only words that should be capitalized are Proper Nouns (city, state, specific names, months, days of the week, etc.). I will let them know ahead of time if we have any of these words on a test. Also, when they are completing homework, all words should be spelled correctly.
